

18 Hole Ladies Information

The Ladies 18-hole league plays every Monday morning from mid-April to the beginning of October. We are a group who enjoy playing by the rules of golf and maintaining a handicap, as a good portion of our games are based on having a handicap. Handicaps make the game of golf more enjoyable for golfers by providing a consistent means of measuring your performance and progress and enable golfers of differing abilities to compete, or play a casual round, with anyone else on a fair and equal basis.

If you don't have a handicap, don't worry because a handicap is simple to obtain, just golf three 18-hole games and input your scores in an approved handicap system.

If you have signed up at Blue Ocean Golf Course on an unlimited golf plan your Golf Canada membership of \$49.95 is included in the package. There is also a "Join the Public Player Program" which allows golfers to obtain a handicap without being a member of a golf club.

2022 Membership Fee is \$45.00, due at the beginning of the season. Players joining after the season begins are still required to pay the full membership fee as there is no prorating of dues for any portion of the year. The membership fee is used for drinks, lunches and prizes throughout the year.

We welcome both the public and members to join our league.
