

“NEW Member” Referral Program 2022

**Refer a “NEW” member that joins the club
and receive 5% off your 2023 Membership Fees!**

Conditions:

1. A “NEW” member is defined as a person that was not a member or pass holder of the club in 2021.
2. Member/Pass programs valued at \$1000 or more qualify for referral discount. Example: referring a NEW Junior Member would not qualify for a referral discount, as the Junior Membership is only \$199.
3. **ALL referrals must be received before or at the same time as** the new member joining the club. They must be accompanied by this completed form, or the “business card” given at the time of joining. **Absolutely no referrals will be accepted retroactively**, after a new member has already joined.
4. Each member may refer a maximum of 5 new members, for a maximum of 25% off your 2023 membership fee.
5. Referral benefits are not transferrable. If a member is entitled to a discount but chooses not to renew in 2023, the benefit is lost and may not be transferred.
6. This program is intended to have existing members help generate new members by encouraging friends/family/coworkers to join. Abuse of the program beyond the spirit in which it is intended will not be honoured.
