

## **Escape the rain... Play golf in Spain!**

### **Golf Trip to Gran Canaria, Canary Islands, Spain November 14-21, 2026**

Join Blue Ocean's own Golf Pro Juergen Fritz in the Canary Islands this November, where 2,700 hours of annual sunshine, striking Maspalomas dunes, and spectacular ocean view golf courses await.

As the second largest of the Canary Islands located off the coast of Morocco, Gran Canaria is a winter island escape offering unforgettable golf, culture and cuisine. As a regular golf tour guide in the Canary Islands, Juergen hand picked the hotel, golf courses and culinary destinations based on over 10 years of visiting the island with European guests.

This week-long 5-Star golf resort experience brings modern Spanish culture and colonial-style architecture to life with a stay in the Villa del Conde Resort & Thalasso, a Lopesan Group Hotel located along the Meloneras beachfront promenade in Maspalomas.

Unforgettable golf rounds with breath-taking water and mountain views, dining within and beyond the resort, and a personally guided golf tour make this an exclusive and unique offering for Blue Ocean members and friends.
