POWER CART SHARING

Anyone may share a cart, regardless of vaccine status, by request. Power carts will be shared whenever possible.

Requests to ride alone will be accommodated, but you may be asked to pay the full price for the empty seat in the cart.

We will NOT request groups that have been paired together (strangers) to share a cart.

Maximum of 1 cart per twosome and 2 carts per foursome.

If someone that can produce a Vaccine Card is uncomfortable sharing with someone that cannot produce a vaccine card, the guest that is unable to produce a vaccine card **MAY** be asked to pay for both seats in the cart.

This policy will be applied consistently to everyone by the golf shop team, including Power Cart Season Pass holders.

Please direct any questions or concerns to General Manager Ken Langdon.

Suggestions for those with concerns:

1. Book tee times with people with whom you would be comfortable sharing a cart.
2. Share a cart for the regular price.
3. Pay for the extra seat if you demand to ride alone or cannot produce a Vaccine Card.
4. Walk.
