### **POWER CARTS AND COVID-19**

Single riders in power carts is our standard policy during the COVID-19 pandemic.

We ask that spouses and immediate family members share power carts (2 people per cart).

AS OF MAY 19 (PHASE 2 OF BC'S RE-START PROGRAM), WE ALLOW 2 PEOPLE TO SHARE A CART, that are NOT immediate family members.

Sharing a power cart helps us. With only 36 carts, power cart shortages are an inevitability on busy days, under single ridership.

If you are able or willing to walk, or if you are willing to share a cart, it will help us experience fewer cart shortages.

Your safety is our first concern. Please let us know if you would prefer to ride alone, or if you would be willing to share a cart.

While under single ridership policy, reserving a cart does not guarantee a cart will be available at any time of day.

*Thank you.*
