Until Further Notice

Please play “Preferred Lies” or “Winter Rules”

Balls may be lifted, cleaned, and placed without penalty on all areas mown at fairway and rough height, but **NOT** in Naturalized Areas or in Penalty Areas. Replace balls in the “relief area” within 1 scorecard length in any direction, no closer to the hole. The same relief is available in bunkers, and you may rake the bunker before replacing.

Note: Golf Canada Active Season in British Columbia is **March 1st through November 15th**. Scores in BC may be entered during inactive season, but they will not affect your official index. Scores for rounds played in warmer climates that are still in active season should be entered.

Brush up on the rules for common winter golf scenarios:
January 2023 Rules of Golf
Temporary Water (see “definitions”) Relief Rule 16.1
Temporary Water in bunker – free relief must be taken **within** bunker. +1 stroke penalty to take relief outside of bunker. Rule 16.1c
Embedded “plugged” ball (see definitions) procedure Rule 16.3a,b
Standing Water on Putting Green relief Rule 16.1d
