

Ladies Night!

Any Given Tuesday, 2024

~ 4-person Team Texas Scramble Format ~

Please play from the RED tees.

You are playing the front 9 only. When finished putting on #9, proceed to #1 (not #10).

All players hit a tee shot. The best tee shot is selected, and all players hit the next shot from there, within one club length of the same spot, no closer to the hole (same cut of grass). The best of those shots is selected, and the procedure continues until one member of the group holes a putt.

One team score is recorded for each hole, and it is the responsibility of the captain to record this score.

In the event of a threesome: players will alternate acting as fourth player and hit a 2nd shot from each position including putts. The extra shot must be rotated throughout the team on an even basis. Twosomes would play 2 shots each, including putts.

Please use a minimum of 1 tee shot from each player in your group.

Please proceed to the Blue Ocean Bar & Grill for dinner and prizes after your round, and hand in your completed scorecard to Rhona in the Golf Shop.
