Blue Ocean Bar & Grill
Temporary Closure Notice

The Blue Ocean Bar and Grill is voluntarily closing effective Monday September 7th until further notice, as a precautionary measure to protect our guests, team members and community.

It was learned Sunday evening, September 6th that one of our kitchen team members may have experienced 3rd party exposure to Covid-19.

The Golf Course and Refreshment Cart continue to operate 7 days per week.

The Facts:

- On Wednesday September 2nd and Thursday September 3rd, our dishwasher and prep-cook trainee spent 2 days in Vancouver with her boyfriend.
- Her boyfriend's coworker in a Vancouver restaurant has tested positive for Covid-19.
- Our team member worked her shifts at the Blue Ocean Bar & Grill Friday September 4th and Saturday September 5th, before the potential exposure was known. The restaurant was closed Sunday and Labour Day Monday as per our current weekly schedule.
- Our team member and her boyfriend were contacted by BC Health Authorities and asked to be tested. We are waiting on those tests to be conducted and results to be shared.
- Blue Ocean Golf Club has not been contacted by BC Health Authorities, not asked to close, nor asked to follow up with guests from September 5th and 6th.

Our team member feels fine and is exhibiting no symptoms. She is self-isolating, pending test results. We believe the potential of spread of the disease is extremely low, but we are taking the extraordinary and voluntary measure of closing restaurant operations pending results of tests, and advice from Health Authorities on a safe reopening date.

We look forward to reopening as soon as it is safe to do so, and we thank you in advance for your continued patronage.
